

Hey!

YOU ARE A GODLY INVINCIBLE REGAL LADY AND I INVITE YOU TO BE A PART OF THIS MINISTRY

Hey girl:

Words cannot express how excited I am to start this ministry that God gave me! When He gave me this ministry, it was in the form of a vision on September 22, 2015. He showed it to me because He knew that He could trust me to carry it out. I will admit that it scared me and I became hesitant and fearful to share it with anyone. It wasn't until this February that I decided to step out of the boat to share my vision with Dave Blanchard. Even while sharing it to others such as Meredith, my insecurities, doubts, fears and questions continued to arise. All of the prayers that have been prayed over this ministry so far have brought me to this very moment and to a very exciting future that creates purpose driven **G.I.R.L's**. This ministry is designed to be mentor based that enriches each **G.I.R.L** to help one another along the way. My desire is for this ministry to be shared at other churches, in your homes, with friends and/or on your campuses etc. The target ages are 11 up through the millennials. Age breakdowns 11-14, 15-18, 18-27(college- post college adulthood). This is not a ministry that focuses specifically on titles such as being a mother, wife or single, it is focused on our role as a daughter of the King which is our true title.

**PLAN OF ACTION:** Participating in a monthly engaging intense soul-searching sessions that gets to the heart of each G.I.R.L by interacting in bible studies with a twist which include: group discussions, hands-on activities and monthly service projects in the areas of need around us. Each session will have a segment dedicated to becoming a purpose driven *G.I.R.L friend* by discussing different scenarios that will prepare them for their groups/mentees. There will be separate monthly sessions for each age breakdown.

**OUTCOME:** To take a stand against the world's opinions of your identity and culture by walking boldly with God. Thrive in this life by seeking God's purpose for your life. Mold as many G.I.R.L's into G.I.R.L friends to be able to start up their own groups to assist with the building of God's G.I.R.L's!

Please join me at the 1<sup>st</sup> annual Hey! G.I.R.L. Ministry city-wide sleepover details on flyer! Tell your friends!!!! Can't wait to see you there ☺ **Monthly sessions will begin when school has reconvened TBD**
